

**CALL FOR ABSTRACTS**

**ASME-ORC2015  
Brussels, Belgium  
12 – 14 October 2015**

We are proud to announce the 3<sup>rd</sup> edition of the International Seminar on ORC Power Systems endorsed by [the ASME International Gas Turbine Institute](http://www.asme-international-gas-turbine-institute.com), and hosted by the University of Liege and the University of Ghent.

The Call for Abstracts is now open! For more information and abstract submission, please go to the ASME-ORC2015 conference website <http://www.asme-orc2015.be/content/authors>.

Information for sponsors and exhibitors can be found at: <http://www.asme-orc2015.be/content/sponsors>.

You will be able to follow all related news on Twitter ASME ORC2015

For other requests or questions please contact the conference secretariat at [info@asme-orc2015.be](mailto:info@asme-orc2015.be).

We are very much looking forward to welcoming you in beautiful Brussels to make ASME-ORC2015 an even greater success!

With our best regards,  
Michel De Paepe, Executive Conference Chair  
Vincent Lemort, Conference Chair  
Sylvain Quoilin, Conference Vice-Chair  
Martijn van den Broek, Conference Vice-Chair  
Piero Colonna, Honorary Conference Chair
