

*Ian Bell, National Institute of Standards and Technology, Boulder, CO*

## **Biography**

Dr. Ian Bell received his BSME (Bachelor of Science in Mechanical Engineering) from Cornell University in Ithaca, NY in 2006, and in 2011 he obtained his doctorate degree in Mechanical Engineering from Purdue University in West Lafayette, Indiana. After a two-year postdoctoral research appointment (2012-2014) at the University of Liège in Liège Belgium, he obtained his current position as a postdoctoral researcher at the National Institute of Standards and Technology (NIST) in Boulder, Colorado. His research interests include the development of equations of state and mixture models.
